⬤⬤⬤⬤ RUBRIC: PRESENTER SERVICE

From Digital Online Judging to State Championship
One to Two Students May Present One Topic Per School
ONE TITLE ONLY PER SCHOOL TO APPLY

Who are your natural teachers? Who seems to help teach others new software or hardware tips? Which students have excelled in teaching technology? Your students need to be our presenters at State.
Students select a topic in hardware, software or any technology related topic. The student will apply to present at State STLP.

One Title may be submitted by your school in the presenter category. Many in your school may present locally. The school will need to decide which technology topic to submit.

The best presenters, based upon the rubric, will be invited to State Championship for final state judging.
First and second place will be recognized at the State Championship Awards.

What the STLP Coordinator/Coach/Teacher should do:
- Share the rubric with students who teach others
- Determine which one technology topic should apply for this category
- Only one title can be submitted with one or two names under the one title
- Gather the three slides and video to post from the students
- Assist students with questions, make suggestions on quality of work

What the student should do:
- Review the rubric
- Gather information and examples concerning concepts, skills and experience teaching the topic
- Create three slides and video presentation, post and have working URL ready to submit
- Check URL from outside of the school network
- Turn information in on time to be posted

TITLE OF THE SESSION: _____

ONLINE JUDGING	CRITERIA	POINTS EARNED
	Copyright was followed	0 10
CONCEPTS SLIDE 1	Slide is clear and meaningful	1 2 3 4 5
