

RUBRIC: RETAIN GOLD STATUS

For STLP groups who have current Gold Status and wish to retain that status into the next STLP year

If Gold Status is interrupted (at least one year without Gold Status), STLP group must return to the original Achieve Gold Status process

What the STLP Coordinator/Coach/Teacher should do:

- Share the rubric with students
- Work with students to identify at least 7 STLP Level Up badges your STLP has earned during the current year
- Help students identify and post details regarding how the STLP earned each of the Level Up badges
- Submit the online request to Retain Gold Status by posted deadline

What the student should do:

- Reflect upon STLP year and help Coordinator identify which STLP Level Up badges your group has earned

Other Info:

- Gold Status allows the STLP to submit up to 4 Projects at Regionals (up from the standard of only 3 per school).
- Once obtained, uninterrupted Gold Status can be maintained by completing the Retain Gold Status online form.
- Whether requesting Gold Status or retaining Gold Status, all info shall be submitted via online form prior to the established deadline (check STLP calendar for deadlines each year).
